### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Jay Lytle on November 28, 2006.

The application has been amended as follows:

Please amend Claim 11 as follows:

11. (Currently Amended by the Examiner) A system computer system including memory for processing a request for a document comprising at least one hypertext markup language (HTML) element, the system comprising:

- a parsing module configured to parse a requested document to generate therefrom a corresponding document object model (DOM) including at least one object;
- an instruction obtaining module configured to obtain a transformation instruction directed to a first object of the DOM, the first object having a value;
- an object transformation module configured to transform the first object by changing the value thereof in accordance with the transformation instruction;
- and a flattening module configured to flatten the DOM to generate therefrom a corresponding transformed document.

**Conclusion**
